

LOTUS

BEHAVIORAL HEALTH CRISIS CENTER

A LOOK AT CIRBY HILLS

- Behavioral health services offered here since 2000
- Houses approx. 140 HHS staff & 50 contracted staff
- 54,600 sq ft building on 8.8 acre campus
- Also houses:
 - Primary care, Adult Protective Services,
 - Public Guardian and In-Home Supportive Services

A 'one-stop' approach

for consumers with mental health/other needs

Primary Care

Outpatient (including Wellness Center reopening soon)

Urgent Crisis (voluntary) - Lotus

Crisis Residential (voluntary)

Psychiatric Hospitalization

(involuntary)

PRIMARY CARE

Western Sierra Medical Clinic now offers physical health services on site for Medi-Cal recipients

OUTPATIENT

- Psychiatric care
- Mental health treatment
- Enhanced Care Management (homeless)
- Substance use services
- Forensic Mental Health (e.g. collaborative courts, etc.)
- Wellness Center – reopening soon with activities, peer support!

CRISIS RESIDENTIAL (VOLUNTARY)

- 14 beds at “Cornerstone”
- Operated by Yolo Community Care Continuum (YCCC)
- Stays of up to 30 days
- Helps prevent involuntary psychiatric hospitalization

PSYCHIATRIC HOSPITALIZATION (INVOLUNTARY)

- 16 bed Psychiatric Healthy Facility, or PHF, at “Cirby Hills Behavioral Health”
- Run by North Valley Behavioral Health
- Individuals on Medi-Cal
- Short term stays before transitioning to lower levels of care

AND THE NEWEST ADDITION: URGENT CRISIS (VOLUNTARY)

- **Different from other levels of care:** Homelike environment with linkage to follow up care; **low barrier** to entry
- Eligible to Placer residents; insurance type not exclusionary
- Operational support from North Valley Behavioral Health

OUR PARTNERS

Health systems

Law enforcement

Service providers

Other local, state
and federal
agencies/officials

THE BENEFITS
