## ABOUT WORDS TO DEEDS

### **Mission**

The leaders in criminal justice and mental health participating in this effort strive to end the criminalization of individuals with mental illness by supporting proven strategies that promote early intervention, access to effective treatments, a planned reentry and the preservation of public safety.

### **Vision**

A true shift in the paradigm between criminal justice and mental health will embody an effective jail diversion system that fosters a successful and ongoing exchange of information among courts, criminal justice agencies, mental health professions, governmental agencies, and nongovernmental organizations, to achieve a substantial positive change in the way individuals with mental illness are treated within our communities.
